

## MH-Q400 Dual Wireless Charging Station

### About Musthong Dual Wireless Charging Station MH-Q400

- \* Charger 2 devices at the same time vertically or horizontal and in any position built in quad coils provide you a wider charging area, this dual wireless charger pad has no alignment position requirement for your phone. You can charge 2 phones at the same time (per phone supports max 10w charging output).
- \* Advanced safety features the dual wireless charger with overcharge, over-voltage, over temperature and over-current protection, will not overcharge your battery or waste energy. The anti-slip rubber pads design will prevent your phone and the charger from slipping off any surface.
- \* Your everyday essential in today's world, nobody has time for a dead phone, so keep an charging station at your home, work, and on-the-go!
- \* Stylish design, easily charging two phones in the same time our dual Qi charger is the smarter choice if you have or plan to have a second wireless charging ready phone. So you won't have to buy a second charger. Save money and desktop space by buying a two phone charging station right away.
- \* Be tired of peeling case off before phone's charging? Musthong wireless charger works with most kinds of cases such as tough armor case, rubber case, hybrid case, plastic/TPU/PC cases ect. (not including magnetic metal plate case) You are free to enjoy this wireless and limitless charging experience.
